

PATT Foundation

Board of Trustees – Treasurer

Role: Treasurer Trustee

Contract Type: N/A

Hours: Part Time

Location: East Riding of Yorkshire

Salary: The role of Trustee is not accompanied by any financial remuneration although expenses for travel may be claimed

Who we are

Changing the world one tree at a time, at PATT Foundation we work with communities to create woodlands and forests to help combat climate change for a better future. We've planted around the world to help areas fight back against deforestation, create wildlife habitat and build natural environments.

It's not just about growing and planting trees for climate change though. PATT Foundation works to support local communities by helping people gain new skills and learn more about the nature around us. We have a particular focus on supporting veterans.

We're based on a four acre site in Preston, East Yorkshire but our reach and that of our trading subsidiary Green Task Force is far reaching.

Details of role

We are looking for a Treasurer to join our Board of Trustees. Holding financial qualifications and experience is desirable, but not essential. It is essential however, to have confidence analysing financial reports and advising on annual budgets and accounts, as well as a good understanding of risk management, especially during a period of strategic growth.

The successful candidate will join an established board of nine Trustees that have a broad range of skills and expertise. The Board meet as a whole meet every two months.

Board meetings are typically held online meaning that the successful candidate doesn't necessarily need to be based locally.

We are keen to have a trustee board which is representative of the community we serve and welcome applications from people with lived experience of the forces and veterans issues to help us to shape and develop our service. Some knowledge of horticulture would also be welcomed.

We can offer you:

- The chance to be part of a charity at a key time in its development. Trustees are essential to ensure that PATT Foundation remains strong, sustainable and able to navigate changing times and economic climates.
- The opportunity to be part of a small, dedicated team who make a difference to individual lives and to our community and the wider environment.
- Experience of being on a board of Trustees with training and development opportunities.
- The opportunity to get hands on (should you wish) and get involved in some of our projects out in nature.

How to apply

If you are interested in applying, please send a short cover letter and CV to info@pattfoundation.org

For questions or an informal discussion, please contact info@pattfoundation.org to arrange a call.
